### **MATCH REPORTS**

#### **Fourth Eleven 1 Oakdale Athletic 3**

Saturdays Fourth XI seemed to have more last minute call-ups than allied forces in the Gulf. Among these were some Veterans who must have thought they were going to have a free - weekend.

The first half saw us under great pressure, but we seemed to be coping until we carelessly conceded two goals. It wasn't all one-way traffic though, but despite coming close we couldn't reduce the deficit. However, 2-0 at half time to the league leaders was a commendable performance.

In the second half we started to take control as we made use of the downhill advantage. This counted for little though as a goal, which looked clearly offside, put us 3-0 down. Finally our second half pressure paid dividends when Jeff Harrison showed great finishing to pull a goal back. Now followed several chances which on another day would have reaped greater reward. There were several good performances, especially from Mick Gearing and Jon Coppen, and everyone seemed to playing as a team.

We must now use this good performance to help spur us on for the rest of the season.

### **FOURTH ELEVEN**

Last Saturday out of a 16 player Fourth XI squad, 8 dropped out! I'm sure some had good reasons for their late withdrawal, but John Cattigan deserves much better support than this. Many thanks to John Burgess and Vets, Mick Gearing, Roger Lee, Dick Barton and Graeme Moir for all helping out at very short notice.

### **INJURIES AND TREATMENT**

This season a number of players have suffered injuries, and some are not responding to treatment. We would advise any player with a bad or niggling injury to seek treatment - do not let it go on and

on without getting help. If you can afford private treatment we advise the following injury clinics :-  
Sports Injury Clinic - The Gym at Orpington Hospital - every Monday & Thursday from 5.00 - 7.00 p.m. - Phone : [REDACTED] extn. 2252 -  
Cost £13 per 1 - 1½ hour session.  
Phone between 8.30 a.m. 12 noon - Monday to Friday for appointment.  
Also Julie at the Liz Knott Clinic at Bickley - Tel : [REDACTED]. Costs from £10 upwards. There are also two physio's in Farnborough, both phone numbers are in the yellow pages.

### **PLAYERS COMPLAINTS**

If any player has any moans or groans about team selection or any grouses, requests, questions about anything concerning the Football Club, you should take them to your Club Captain, Ian Couchman - Tel : 0689 854963. Ian is usually available after games on a Saturday afternoon at the Sports Club. Team Managers will listen to complaints and Vic Farrow will try to help between all his other duties, but the correct procedure is to speak to Ian Couchman who will put forward your case to the Management Committee at their next meeting.

### **BAR ROTA**

As you all should know by now members who work behind the Bar do it voluntarily. It would help them if you could return glasses to the Bar. Members who cannot carry out their bar duties, please swap with someone and at least tell Dave Edwards or Vic Farrow. It would very much help directly after games if we could have some volunteer barmen for a short period, whilst players on bar duty shower & change.

### **BRICA- BRAC & SECOND HAND BOOKS**

Eric Shoebridge has offered to sell any good Brica-Brac or Second Hand Books on behalf of the Club at many local fetes and boot sales he attends. You can sometimes make good sums of money from such items and it all helps towards our Funds. If any member has any good quality Brica-Brac or Second Hand Books, please advise Eric on [REDACTED] or Vic Farrow - [REDACTED].

### **FIRST AID KITS**

Can Team Managers or any volunteer players please ensure that their teams First Aid Kit are fully equipped. I know a number of the kits need further supplies

### **THE PROFESSIONAL FOUL & PLAYER MISCONDUCT**

The Guild have always had a good record for sportsmanship. This season Referees are very strict with what is called the "the Professional foul" - players including GOALKEEPERS will be sent off for such misconduct. Players are reminded that they MUST not query Referees decisions, if they do and they are cautioned for dissent they will be fined £10.00.
